What is ISO 22301:2019?

ISO 22301 helps to understand and prioritize the threats to your business with the international standard for business continuity. ISO 22301 specifies the requirements for a management system to protect against, reduce the likelihood of, and ensure your business recovers from disruptive incidents.

Benefits of the ISO 22301:2019?

The ISO 22301:2019 should be used to:

- identify and manage current and future threats to your business
- take a proactive approach to minimizing the impact of incidents
- keep critical functions up and running during times of crises
- minimize downtime during incidents and improve recovery time
- demonstrate resilience to customers, suppliers and for tender requests.
